

# CFDD Wichita presents: Organizational Behavior & Communications

Michelle Hendrickson is an adjunct instructor for National American University as well as the Operations Manager for Hale's Sales and Service in Sedgwick, KS. She teaches business behavior, marketing and communication. As Operations Manager she is at the front line for customer conflict resolution, customer finance options, employee training, accounts payable and receivable, and inventory auditing.

\*\* This meeting will practice social distancing. Feel free to sit with your co-workers if you have already been near them, but those from other companies should be spaced separately. \*\*
